Author’s Preface ........................................................................................................ i

Executive Summary .................................................................................................. ES-1

Chapter 1: Budget Overview ..................................................................................... 1-1
I. California Economic Trends and Demographics ...................................................... 1-1
   A. Public Revenue and Spending Trends ................................................................. 1-3
   B. Federal/State/Local Balance ................................................................................ 1-5
      1. Federal to State Delegation: “Devolution” ....................................................... 1-5
         a. Failure to Capture Federal Money, or to Use it for Child Benefit .......... 1-6
         b. Post-2002 Reauthorization Amounts and Restrictions ........................... 1-6
         c. Supplantation/Diversion of Federal Monies ........................................... 1-6
         d. Federal Tax Breaks and Future Capacity for Devolution Investment ....... 1-7
      2. State to Local Government: “Devolution” and “Realignment” .................... 1-7
         a. Local Sales Tax Revenue Routed Away from Lower Income
            Jurisdictions ................................................................................................. 1-9
         b. Counties Child Service Reductions to “Free Ride” .................................... 1-9
         c. Across-the-Board 20% Cut of Funds for Local Service Administration ... 1-10
         d. The State is Imposing Numerous Indirect Infrastructure Cuts ............... 1-10
         e. State Capture of Local Funds ................................................................. 1-10
         f. Program Assignment without Funding ...................................................... 1-11
         g. Limited Local Funding Alternatives ......................................................... 1-11
         h. State-Local Realignment and Public Official Accountability ................. 1-11
   C. State Tax Sources and Burdens .......................................................................... 1-12
      1. Tax Sources .................................................................................................... 1-12
      2. Tax Expenditures ......................................................................................... 1-13
      3. Tax Burdens ................................................................................................. 1-13
      4. The Problem of Revenue Volatility ............................................................... 1-14
II. The Federal Surplus and Adult Priorities ............................................................... 1-15
III. The Energy Crisis and Investment in Children ...................................................... 1-17
IV. The Proposed 2002–03 Budget ............................................................................ 1-19
   A. Social Service Cuts Total an Adjusted $11.6 Billion ..................................... 1-19
   B. Reductions Are to Child Related Accounts ....................................................... 1-20
   C. Cost Transferral to Future Taxpayers—$11.1 Billion ..................................... 1-20
   D. Proposed New Taxes—$0.48 Billion ............................................................... 1-21
   E. Gap Redress Balance ...................................................................................... 1-22
   F. 2002–03 Major Budget Omissions ................................................................... 1-23
V. A Children’s Budget 2002–03 .............................................................................. 1-23
VI. Monies for Child Protection and the Child Advancement Fund ......................... 1-25
VII. Summary and Recommendations ....................................................................... 1-29
Endnotes ..................................................................................................................... 1-31
Chapter 2: Child Poverty

I. Condition Indicators
   A. Incidence
   B. Youth/Adult Unemployment
   C. Minimum Wage
   D. Tax Policy
   E. Unemployment Insurance Coverage
   F. Single-Parent Families, Unwed Births
      1. Incidence, Relation to Poverty
      2. Exacerbating Factors: Multiple Children, Young Children, Unwed Births
      3. Trends in Single Parent Incidence
      4. Unwed Teen Parents
      5. The Most Critical Factor: Unwed Births to Adult Women
   G. Child Support and Paternal Commitment
   H. TANF Grant Reductions
   I. Findings and Correlations

II. Statistical Profile of Current TANF Recipients
   A. Age and Marital Status
   B. Historical Increase/Decrease of AFDC Spending Levels
   C. Size of Families on TANF; Incentives for Additional Children
   D. Length of Time on TANF
   E. Living Expenses
   F. Education
   G. Ethnic Composition
   H. Work
   I. Post-Welfare Reform Income and Work
   J. Causes of TANF Caseload Changes
   K. Summary Profile

III. Beyond Poverty: Barriers to Self-Sufficiency

IV. Prevention Agenda

V. Major Programs and Budgets
   A. Temporary Assistance to Needy Families (TANF)
      1. Federal Changes to AFDC: The PRA and TANF
      2. Federal PRA Budget and Child Impacts
         a. Cooperate in Identification of Father
         b. Work Within Twenty-Four Months
         c. Sixty Months Cumulative Lifetime Limitation
         d. Federal “Work Participation” Targets
         e. CalWORKs/PRA Needed Timing/Hours Amendments
         f. An Alternative Strategy to Meet Federal Participation Targets
      3. The 1997 Balanced Budget Act and the PRA
      4. Initial PRA Interpretation by California
         a. Newcomer Cuts to Levels of State of Origin
         b. Maximum Family Grant
         c. Teen Pregnancy Disincentive
      5. California’s Post-1998 Implementation of Welfare Reform
         a. Major Provisions of CalWORKs
            (1) Sixty-Month Time Limit
            (2) Time Limit to Obtain Work
            (3) Other Conditions of Assistance
            (4) Child Care
            (5) Job Creation
            (6) Grant Terms/Levels
            (7) County Incentives
         b. Facial Advantages/Disadvantages of CalWORKs for Children

   B. California Children’s Budget Recommendations ............ 3-23
   Endnotes ................................................................. 3-25

Chapter 4: Health ............................................................. 4-1
I. Condition Indicators ..................................................... 4-1
   A. California Children Without Health Coverage ............... 4-1
      1. A Rational Proposal: Cover Children .......................... 4-3
      2. Coverage Shortfall Demographics: Immigrants ............ 4-4
      3. Coverage Shortfall Demographics: TANF Enrollee Loss .... 4-5
   B. California Children With Public Health Coverage (Medi-Cal) 4-6
   C. Child Health Public Coverage Costs ......................... 4-6
   D. The Consequences of Lack of Health Coverage ............. 4-7
   E. Causes of Child Deaths and Injuries .......................... 4-8
II. Major Programs and Budgets ........................................... 4-10
   A. Major Statutory/Litigation Changes in 1996–2001: Welfare Reform,
      Immigrants, Managed Care, and New Federal and State Money for Child
      and Parent Coverage Expansion .................................. 4-11
      1. PRA: Federal Welfare Reform Legislation, Enrollment Decline, and
         Medi-Cal Coverage Loss ............................................ 4-12
      2. Immigrant Responsibility Act ..................................... 4-14
      3. Federal Health Insurance Portability and Accountability Act ... 4-15
      5. Healthy Families and Revised Medi-Cal Coverage ............ 4-17
      6. Tobacco Settlement ................................................. 4-18
      7. California Children and Families First Act of 1998 (Proposition 10) 4-20
      8. 2001–02 Budget Act Trailer and Related Measures ........... 4-20
         a. Healthy Families Coverage Expanded to 250% of the Federal Poverty
            Line; Immigrants Covered Regardless of Date ............... 4-21
         b. Bridge from Medi-Cal to Healthy Families Expanded ... 4-21
         c. Simplification of Income Proof ............................... 4-21
         d. Accelerated Eligibility for Medi-Cal ...................... 4-21
         e. Partial Continuous Eligibility ............................... 4-21
         f. Foster Care ....................................................... 4-21
         g. Direct Marking .................................................. 4-22
         h. Health-e-App .................................................... 4-22
         i. Childhood Lead Poisoning Prevention ..................... 4-22
         j. Reduced Augmentation for Rural Health Services, Migrant Workers
            Clinic, and American Indian Health ......................... 4-22
      9. Other Major 2001 Legislative Changes ....................... 4-22
         a. AB 495 (Diaz) .................................................... 4-22
         b. AB 59 (Cedillo) Express Lane Medi-Cal Enrollment—Child Lunch Recipients 4-22
         c. SB 493 (Sher) Express Lane Medi-Cal Enrollment—Food Stamp Recipients .... 4-22
         d. Pre-School Chicken Pox Vaccinations ...................... 4-23
e. SB 255 (Speier) Kids-n-Cars ........................................ 4-23
f. SB 52 (Scott) Handgun Safety ........................................ 4-23
g. SB 19 (Escutia, Speier) ............................................. 4-23
h. Youth Anti-Smoking Measures ........................................ 4-23

a. Medi-Cal Reimbursement Litigation ............................... 4-24
b. Tobacco Settlement Fund Allocation to Health Care Fund .... 4-24
c. New Pilot Disease Screens for Newborns ....................... 4-24

11. Major 2001 Vetoes and Suspense File Termination ........... 4-24
a. AB 1279 (Reyes) ...................................................... 4-24
b. SB 760 (Murray) ..................................................... 4-24
c. SB 402 (Ortiz) ....................................................... 4-24
d. SB 833 (Ortiz) ....................................................... 4-24
e. AB 32 (Richman and Figueroa) ....................................... 4-24

12. Summary of Major Proposals for 2002–03 ...................... 4-24
a. Medi-Cal Reimbursement to Physicians Cut ($249 million) .... 4-25
b. Increase Medi-Cal Co-Pays ($7.7 million) ......................... 4-25
c. Reinstate Quarterly Reports ($311 million) ......................... 4-25
d. Delay Low Income Parents in Healthy Families Until July 2003 ($657 million) 4-25
e. Delay School Lunch/Food Stamp Medi-Cal Expansion to July 2005 ($51.6 million) 4-26
f. Media Advertising Cancellation for Healthy Families Enrollments/Media Cancellation for Youth Anti-Smoking Campaign ($53.6 million) 4-26
g. Section 1931(b) Medi-Cal Program Expansion Rescission ($184 million) 4-27
h. Eliminate Medi-Cal Optional Benefits ($526 million) ............ 4-27
i. EPSDT Reductions ($65 million) ........................................ 4-27
j. Reduction in County Medi-Cal Administrative Funding ($176 million) 4-27
k. Reductions in Infrastructure Support ($86 million) ............ 4-28
l. Direct Federal Assistance Cut to Hospitals Serving the Poor ($700 million) 4-28

13. Summary ................................................................. 4-29

B. Department of Health Services: Medi-Cal ....................... 4-30
1. Medi-Cal Shift to Managed Care ..................................... 4-30
   a. Infrastructure Loss of Clinics/Services Relied Upon by Uninsured Poor 4-31
   b. The Prospective 2003–05 Collapse of the Los Angeles Health Infrastructure 4-33
   c. Medi-Cal Managed Care Access and Service for Children .................. 4-34
   d. Medi-Cal Enrollment Failure/Barriers ................................ 4-36
      (1) Simplification ................................................... 4-36
      (2) Deductibles and Asset Tests ................................... 4-38
      (3) Outreach ....................................................... 4-38

2. Overall Medi-Cal Account ............................................. 4-39
   a. California Per Person and Per Child Medi-Cal Costs .............. 4-40
   b. Reimbursement Rates .............................................. 4-41

3. Early Periodic Screening, Diagnosis and Treatment Program (EPSDT) 4-42

4. Child Health and Disability Prevention Program (CHDP) ........ 4-42

5. California Children’s Services Program .......................... 4-45
6. Maternal and Child Health Program (MCH) ....................... 4-46

C. Healthy Families Program [Managed Risk Medical Insurance Board] 4-47
1. Administration; Integration with Medi-Cal ....................... 4-48
2. Safety Net Provider Subtraction Effect ......................... 4-50
3. Premiums/Co-Payments ............................................. 4-50
4. Income Definition for Coverage ................................... 4-51
5. Current and Projected Spending: Federal Money Returned Projection 4-51
6. Efficient Coverage of Children and “Crowd Out” Prevention .... 4-52
   a. Traditional Approaches and Recent Reforms ...................... 4-52
   b. Fragmentation and Transaction Cost ............................ 4-53
