Wisconsin Administrative Code > SAFETY AND PROFESSIONAL SERVICES > CHAPTER SPS 404 APPROVAL OF SCHOOLS

SPS 404.06 Financial stability and student protection

(1) SURETY BONDS. (a) As a condition of obtaining and retaining approval, a school shall provide a surety bond on a form specified by the department. Except as provided in pars. (b) and (c), the amount of surety shall be the lesser of \$ 25,000 or 125% of unearned tuition.

(b) No surety bond may be less than \$ 1,000 or an amount equal to \$ 2,000 for each representative the school employs.

(c) The bonding requirements set forth in this section may be reduced upon a determination that they are excessive in relation to the risk of economic loss to which Wisconsin residents are exposed in the case of any particular school, based upon evidence of a stable fiscal history, satisfactory completion and placement rates, accreditation by a recognized accrediting body or other stability criteria the schools may offer for department review.

(d) The bond shall be executed by the school as principal and by a surety company qualified and authorized to do business in the state of Wisconsin as a surety.

(e) A surety on a bond may be released after the surety has provided written notice directed to the department at least 30 days prior to the release.

(2) STUDENT PROTECTION FEE. (a) Except as provided under par. (e), in addition to the fees under s. SPS 404.10, a school shall pay a student protection fee.

(b) The fee shall be established as follows.

1. Except as provided in subd. 2., at a rate of \$ 0.50 per \$ 1,000 of adjusted gross annual school revenue as reported in accordance with ss. SPS 404.01 (4) and 404.10 (2) (d).

2. If at any time the appropriation balance of s. 20.165 (1) (jr), Stats., is less than \$ 500,000, at a rate determined by the department based on a multiplier equal to the percentage of all schools' total adjusted gross annual revenue needed to bring the appropriation under s. 20.165 (1) (jr), Stats., to \$ 500,000, but not to exceed \$ 10,000 for an individual school.

(c) The fee shall be paid at the same time the school makes its second payment annual renewal fee as required under s. SPS 404.10 (2) (d) and is due no later than March 1 of the calendar year for which the school is applying for renewal.

(d) A school that makes the student protection fee payment required after March 1, shall pay for each month or part of a month the payment is late, a late fee of \$ 50 or 1.5% of the student protection fee payment, whichever is greater.

(e) The department shall discontinue collecting student protection fees under this subsection during the period that the balance of the appropriation under s. 20.165 (1) (jr), Stats., exceeds \$ 1,000,000.

(3) USE OF SURETY BONDS AND STUDENT PROTECTION FUNDING. (a) The department may use a surety bond on which it has collected to provide indemnification to any student, parent, guardian, or sponsor suffering loss or damage as a result of the following.

1. Fraud or false representation used in procuring a student's enrollment.

2.A violation of chs. SPS 403 to 408.

3.A student being unable to complete the program or programs because the school failed to perform its contractual obligations.

4.The refusal of a school to issue a refund to which a student is entitled under ch. SPS 408.

(b)Indemnification under this section may not exceed the advanced tuition, book fees, supply fees, or equipment fees paid or liable to be paid for regardless of the number of years that a school's bond is in force. The aggregate liability of the surety bond may not exceed the penal sum of the bond. The surety bond may be continuous.

(c)To the extent that the surety bond is unable to fully cover the losses incurred by a student, parent, guardian, or sponsor when a school closes, the department may authorize the full or partial payment of those losses from the student protection appropriation under *s. 20.165 (1) (jr), Stats.*

(d)The department may use a surety bond on which it has collected or funds from the student protection appropriation to arrange for a teach-out of students.

(d) The fees specified in par. (a) shall be reduced by 50% of the program fee specified in sub. (3) for a program of the same level if all of the following conditions are met:

1. The school making application for approval of the program is incorporated in a state other than Wisconsin, has its main campus outside Wisconsin, and offers in Wisconsin only programs leading to a baccalaureate or higher degree.
2. The school presents written evidence of authorization from its home state to offer the program and degree which it desires to offer to Wisconsin residents. The evidence which the school submits to meet this requirement shall include unabridged copies of all findings and program reviews which the home state authorizing agency completed regarding the program.
3. If the school is requesting authorization to enroll Wisconsin residents in a program which it offers in a state other than its home state, the school presents written evidence of program and degree authorization from the state in which the program is offered. 3. The fee shall be in the form of multiplier equal to the percentage of all schools' total adjusted gross annual revenue needed to equal the cost of regulating schools subject to [s. 440.52 \(10\), Stats.](#), less revenue from all other fees.

4. The multiplier derived in subd. 3. shall be applied to each school's adjusted gross annual revenue to determine its second renewal payment.

(e) If a school fails or refuses to provide reliable financial information with which to determine the amount of the second payment, the department may revoke the approval of the school or may use other means to compare the school with other schools by size, estimate the adjusted gross annual revenues of the school and require a second payment based on the estimated adjusted gross annual revenues of the school. The department may also request the department of justice or any district attorney to take action under any other applicable provision of law.
